COMMITTEE NEWS

Over the last 2 years the Club has not pursued any new sponsorships for any of the Sponsor Categories. Existing sponsors have not been billed for their sponsor ship either.

The Committee has developed a new Sponsorship Package which, hopefully, will satisfy the needs of any future sponsors:

New larger signage on the main tee areas.
Links to our website, monthly newsletter, Facebook & Instagram pages.

Four free rounds of 9-hole golf for you or a staff member.

A fun Annual Golf Day for all sponsors, members, and visitors.

Rates: \$390.00 Inc GST per year or \$1000.00 Inc GST for 3 years for hole sponsorship.
Other categories: P.O.A.

Thanks to all who attended at West Peak on our Raffle night. Thanks to Dave Browning & Henry Ziemnicki for the fine effort at selling the tickets on the night. A contingent of ten members & partners attended for support, dinner, drinks & a welcome presence. The raffle raised an amount of \$700 for the Golf Club. A fine & much appreciated effort.

A welcome to new Country Member, Duncan Ledrum. The Committee hopes you will enjoy all the benefits of your membership.

Don't forget to give your points to Mount Beauty Golf Club at the Foodworks in town. Our number is 1036.

The logo for FoodWorks Supermarket, featuring the word "FOODWORKS" in a bold, sans-serif font above the word "Supermarket" in a smaller, script font, all contained within an orange rectangular border.

If anyone has anything to put up on our Facebook or Instagram page please send your news to communications@mtbeautygolfclub.org.au. The Facebook page is [MtBeautyGolf](https://www.facebook.com/MtBeautyGolf).

If you wish to contact any of the Committee please do so at committee@mtbeautygolfclub.org.au or ring 0459 679 356.

COURSE NEWS

As always at this time of the year the course is getting softer and wetter. Please be very mindful of any wet patches on the course when driving a motorised cart around.

NO CARTS are to be brought closer than 10 metres from ANY green and please use common sense when negotiating any of the course and avoid driving through the wetter areas. Any damage caused takes a long time to 'heal' and causes ruts on the course which harden over spring and summer making for extra work by the grounds volunteers. The Committee and the volunteers thank you for your consideration.

A big 'Shout Out' to all the volunteers who are working steadily on keeping the course in such great condition. Not to be forgotten are the Ladies who clean our clubhouse for us weekly.

Please repair ALL Divots and Pitch Marks – even if they are not yours. Keep an eye out as you walk up the fairways and on the greens for any repairs needed.

Taff Sullivan was hot on his heels finishing with a +2, leading Peter Johns (Square). Three players came home on -2 and were rewarded with a ball each, Ross Rynehart, Allan Retallick and Peter Dille.

LAUGH TIME

(Thanks Rollo for this one)

British Golf Rules in 1940.

And, you thought you were a tough weather golfer. The notice below was posted adjusting rules at a golf club in Britain.

You have to admit --- these guys really had to like the game to play! German aircraft from Norway would fly on missions to attack northern England. Because of the icy weather conditions, the barrels of their guns had a small dab of wax in the muzzle to protect them from clogging with ice.

In addition to attacking industrial or other targets close to golf courses, as they crossed the coast, they would clear their guns by firing a few rounds at the golf courses. Golfers were urged to take cover.

RICHMOND GOLF CLUB

TEMPORARY RULES. 1940

1. Players are asked to collect Bomb and Shrapnel splinters to save these causing damage to the Mowing Machines.
 2. In Competitions, during gunfire or while bombs are falling, players may take cover without penalty for ceasing play.
 3. The positions of known delayed action bombs are marked by red flags at a reasonably, but not guaranteed, safe distance therefrom.
 4. Shrapnel and/or bomb splinters on the Fairways, or in Bunkers within a club's length of a ball, may be moved without penalty, and no penalty shall be incurred if a ball is thereby caused to move accidentally.
 5. A ball moved by enemy action may be replaced, or if lost or destroyed, a ball may be dropped not nearer the hole without penalty.
 6. A ball lying in a crater may be lifted and dropped not nearer the hole, preserving the line to the hole, without penalty.
 7. A player whose stroke is affected by the simultaneous explosion of a bomb may play another ball from the same place. Penalty one stroke.

Golf Poem

In My Hand I Hold A Ball,
White And Dimpled, Rather Small.
Oh, How Bland It Does Appear,
This Harmless Looking Little Sphere.
By Its Size I Could Not Guess,
The Awesome Strength It Does Possess.
But Since I Fell Beneath Its Spell,
I've Wandered Through The Fires Of Hell.
My Life Has Not Been Quite The Same,
Since I Chose To Play This Stupid Game.
It Rules My Mind For Hours On End,
A Fortune It Has Made Me Spend.
It Has Made Me Yell, Curse And Cry,
I Hate Myself And Want To Die.
It Promises A Thing Called Par,
If I Can Hit It Straight And Far.
To Master Such A Tiny Ball,
Should Not Be Very Hard At All.
But My Desires The Ball Refuses,
And Does Exactly As It Chooses.
It Hooks And Slices, Dribbles And Dies,
And Even Disappears Before My Eyes.
Often It Will Have A Whim,
To Hit A Tree Or Take A Swim.
With Miles Of Grass On Which To Land,
It Finds A Tiny Patch Of Sand.
Then Has Me Offering Up My Soul,
If Only It Would Find The Hole.
It's Made Me Whimper Like A Pup,
And Swear That I Will Give It Up.
And Take To Drink To Ease My Sorrow,
But The Ball Knows ... I'll Be Back Tomorrow.

Stand proud you noble swingers of clubs and losers of balls.
A recent study found the average golfer walks about 900 miles a year.
Another study found golfers drink, on average, 22 gallons of alcohol a year.
That means, on average, golfers get about 41 miles to the gallon.
Kind of makes you proud. Almost feel like a hybrid.

Have A Great Day !!!

(Thanks Dave Browning & Don Mason)

(Thanks to the Hobdays for all of these)

How not to adopt a child!

A couple who work at the traveling circus go to an adoption agency. Social workers there raise doubts about their suitability to adopt. The couple produces photos of their expensive, 50 foot Prevost motor-home, which is already equipped with a beautiful nursery.

The social workers then are doubtful about the education that the child would get. "We've arranged for a full-time tutor to travel with us who will teach the child all the usual subjects along with French, Mandarin and computer skills."

Then there are doubts about raising a child in a circus environment. "Our nanny/housekeeper is an expert in pediatric welfare and diet."

The social workers are finally satisfied.

They ask, "What age and sex of child are you hoping to adopt?"

"It doesn't really matter, as long as it fits in the cannon."
