The month's program for both the Ladies' and the Men will be posted on the window of the office at the clubhouse and the more major events are published in the 'This Week in Falls Creek and Mt Beauty' magazine.

## **Committee News**

The recent decision by the Match Committee to play all Men's Comps on Saturdays from the Blue Markers has been rescinded for the winter.

A monthly MIXED Comp day will be trialled in September. This will, hopefully, encourage the men and the ladies to play together and share the social ambience after the game. Stay tuned and notification will be forthcoming once dates are known.

This month we welcome Andrew Ryan to our membership.

## **Course News**

The course is looking pretty good at the moment thanks to ALL the guys and girls who spend countless hours keeping it in great condition.

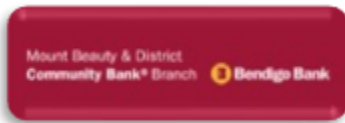

With the onset of winter, albeit being a dryer than usual one at this stage, please be aware that the course could be wet in places and care should be taken on routes taken, especially in carts.

## **Wildlife on the Course**

Please be aware that all wildlife on the course can be dangerous if approached. With the increasing numbers of kangaroos on the course if

your ball happens to go near them it is safer to take relief and drop another ball, no closer to the hole, no penalty, rather than try to retrieve your ball from within the mob.

## Upcoming Events

The Ladies' and Men's Monthly Medal day is the first Saturday of the month, being 5 August and 2 September.

Saturday 12 Aug will see a Canadian event for the Men. Get your partners organised.

A Men's 2 Ball Ambrose will be played out on Saturday 27 August. Pairs needed again.

Pairs will again be needed to compete in a Men's Canadian event on Saturday 9 September.

The following weekend a few of us will be journeying to Mitta to play in their Annual Tournament. If you are interested in going please contact this newsletter and perhaps a car pool could be organised.

Sunday 24 September will require pairs again to compete in a Men's 2 Ball Ambrose.

Then, the BIG one, the Grand Final weekend rounds of golf starting with the course once again being transformed into a par 3 course on the Friday Holiday of 29 September. This event format proved very popular with competitors on Australia Day earlier this year.

The following day is Grand Final day and the event will be

a Yellow Ball Stableford round. As a lot will be wanting to be at home, the pub or generally socialising on the day you are welcome to call Captain, Peter Hertzog, to organise an early tee off. His number is 0429 024 431

It seems August and September will be a pairs couple of months and a lot of fun to be had.

Comp golf rounds are played every Wednesday, Saturday and Sunday.

## Rule of the Week

Rule of the Week: Area of Intended Swing

Golf can be a complicated game, and the rules can be tricky to interpret, but with some help from PGA Professional, Ben Doney, you can easily avoid incurring a **two stroke** penalty when next lining up a swing which has naturally occurring impediments.

### Laugh Time

\* A recent study has found that women who carry a little extra weight, live longer than the men who mention it.

\* Relationships are a lot like algebra. Have you ever looked at your X and wondered Y?

\* You know that tingly little feeling you get when you like someone? That's your common sense leaving your body.

\* Did you know that dolphins are so smart that within a few weeks of captivity, they can train people to stand on the very edge of the pool and throw them fish?

\* I think my neighbour is stalking me as she's been googling my name on her computer. I saw it through my telescope last night.

\* Money talks ...but all mine ever says is good-bye.

### Golf Trivia

Peter Lonard refers to his putter as 'Mrs Lonard'

Brad Flaxon once putted a ball down the central aisle of a Concorde as it travelled at supersonic speed. It is estimated that the ball travelled 13.6 km.

Mary Queen of Scots caused uproar by going out for a quick game of golf only 2 weeks after her husband's death.
