The 2016 Golf Programs are available at
www.mtbeautygolfclub.org.au/current-golf-program.

The month's program for both the Ladies' and the Men will be posted on the window of the office at the clubhouse and the more major events are published in the 'This Week in Falls Creek and Mt Beauty' magazine.

Committee News

Memberships Fees were ratified at the last meeting and invoices have been sent out. These are due by 1 July. Details of how to pay are included on the invoice. President, Stephen Short, circulated to all members a short explanation of where your fees go. Please be prompt with your payments as the funds are needed to keep our course up to the present standards.

Recently the PGA has offered to organise for a Golf Pro to visit interested golf clubs to help with lessons, junior programs and event organisation. Bright, Myrtleford and us have been grouped together and discussions have been held resulting in the appointment of Michael Skinner from Wodonga being selected as our 'Pro'. The finer details are yet to be discussed with Michael and further info will be published in, hopefully, the next newsletter.

Course News

Tree felling will be taking place over the next few weeks to remove dead pines, mainly in the area at the bottom of the 14th fairway. Please take care in the area until these trees have been removed. Some damage to the fairway will be possible and areas affected will be designated as GUR.

There will be a working bee on Mother's Day, Sunday May 8, starting at 8am. Items for sale and/or removal will be earmarked and a general tidy up of the course will be done. Please bring a trailer, if you have one, and suitable tools for gathering and raking up sticks etc.

A very important event for the Ladies will be held over the 3 days of 6, 7 and 8 June, the NEDGA Ladies' Championships. The committee wishes to advise that the course will be closed to all play other than play in this Championship competition.

The committee congratulates the Ladies' for securing this event for 2016. Best of luck for both the hosting and the playing of this event.

Wildlife on the Course

Please be aware that all wildlife on the course can be dangerous if approached.

With the increasing numbers of kangaroos on the course if your ball happens to go near them it is safer to take relief and drop another ball, no closer to the hole, no penalty, rather than try to retrieve your ball from within the mob.

Upcoming Events

The Ladies' Monthly Medal day is the first Wednesday of the month, being 4 May and 1 June.

The Men's Monthly Medals will be contested on Saturdays 7 May and 4 June.

Other events to be played over the next couple of months are:

There are 2 major events taking place in May. The first is the Steve Green Memorial Trophy, Mixed and Men's Canadian event. This event is held in memory of the enormous contribution Steve made to establishing the greens on the course. Without his drive, hard work and enthusiasm in the late 1990's we would not be enjoying the benefits of putting on grass greens.

The second is the **Red Heart Day** Mixed and Men's 4 Ball Ambrose event in recognition of the work done by the Heart Foundation on heart disease and stroke. Proceeds of the day are donated to the Heart Foundation.

May also sees the contesting of the Jarman Cup on Saturdays 21 and 28.

A very important event for the Ladies will be held over the 3 days of 6, 7 and 8 June, the NEDGA Ladies' Championships.

The committee wishes to advise that the course will be closed to all play other than play in this Championship competition.

Saturday 11 June will be the playing of the Men's Canadian Championships. Get a partner organised.

Saturday 18 June there will be a Par event - the Men's Alf McBain Memorial Trophy.

The Final of the Men's Matchplay Championships will be played this Saturday 7 May. The final two to play off for the Championship are Emil Solar and Peter Johns. This will be interesting as Emil has had to play every segment of the event whilst Peter has had a dream run with only playing one game into the finals due to forfeits and retirements of one sort or another.

'Good hitting' to both men for their round and we will await the result.

All in all May and June will be loads of fun for everyone with a varied program to break up the usual stroke rounds and serious events.

Past Events Information

As mentioned in the last newsletter Mick Luscombe was leading Allan Ferrari after the first round of the Kiewa Cup. It seems no-one could get between these two as the final result was Mick taking the honours over Allan with a net 142 from Allan's 146.

Unfortunately the annual UKV Lion's Police & Citizens Day this year had to be postponed to a date to be determined due to lack of pre bookings. Please, when the next date is announced do let the organisers know of your team as this event will only

be held if there are sufficient advance teams entered. Do not wait to just turn up on the day!

The Mixed and Men's Canadian Championships were played on Saturday 16 April and the title was successfully defended by Leesa Bevan and Tony Bogaski with a gross score of 76 (left).

Runners up were Don Mason and Julie Chapman with 85 (right) and Sue and Richard Roman (centre) taking the Handicap Honours with a score of 64.5.

Of course Monday 25 April was the ANZAC Day Mixed and Men's Canadian event. Usually well attended with all proceeds of \$200 going to Legacy.

Congratulations to all winners and competitors for all of these events.

Pennant 2016

Pennant has come to a close for 2016 for Mt Beauty with a loss to Myrtleford on Sunday 1 May. We ended 5th on the ladder.

Ben and I would like to field 2 teams for next season, a Scratch team and a Handicap team. If interested please contact me personally or by email or phone 0418 431 531

WHY?.....Good questions

Why do some supermarkets make the sick walk all the way to the back of the store to get their prescriptions while healthy people can buy cigarettes at the front?

Why do people order double cheeseburgers, large fries, and a diet coke?

Why do banks leave vault doors open and then chain the pens to the counters?

Why do we leave cars worth thousands of dollars in our driveways and put our useless junk in the garage?

EVER WONDER...

Why the sun lightens our hair, but darkens our skin?

Why can't women put on mascara with their mouth closed?

Why don't you ever see the headline 'Psychic Wins Lottery'?

Why is 'abbreviated' such a long word?

Why is it that doctors and attorneys call what they do 'practice'?

Why is lemon juice made with artificial flavouring, and dish washing liquid made with real lemons?

Why is the man who invests all your money called a broker?

Why is the time of day with the slowest traffic called rush hour?

Why isn't there mouse flavoured cat food?

Why didn't Noah swat those two mosquitoes?

Why do they sterilise the needle for lethal injections?

You know that indestructible black box that is used on airplanes? Why don't they make the whole plane out of that stuff??

Why don't sheep shrink when it rains?

Why are they called apartments when they are all stuck together?

If flying is so safe, why do they call the airport the terminal?
