COMMITTEE NEWS

The meeting with Lynne Morrison from Lynne Morrison Golf Design was very positive & she is very excited about the potential of our Course, putting forward some great ideas to make it more interesting & fun to play. She has taken many of the suggestions made at the meeting & is positive she can come up with a design which should serve us well into the future. The Committee has asked her for help identifying appropriate grants & is very excited with the prospect of having a concept & focus to work toward for the future development of our course.

COURSE NEWS

A new bridge has been erected behind the 13th Tee to enable safer access to the Blue Tees. The Committee wishes to thank Bill Taylor for his kind donation of some materials and time which has saved our volunteers hours in drilling holes in metal straps for the guard rails.

The majority of the piles of felled pines scattered around the course have been cleared thanks to the efforts of Dave Browning and helpers. The bare ground left by the burns is to be treated as GUR & relief can be taken at the nearest point of full relief then 1 club length from there.

Tee irrigation works are almost complete & our next task is to top-dress some of the newer tees to make them more playable.

With winter upon us the Committee would like to remind all Cart users that **NO CARTS are to be driven closer than 10 metres to ANY green.**

PAST EVENTS

One of the more important events on our golfing calendar is the playing of the Stephen Green Memorial Trophy An important day for the club as it was Stevie's inspiration, determination & goal to transform the course from Sand Scrapes to Grass Greens. He began his vision, with the help of a team of volunteers & donations from members of the club, in the late 1990's & saw to the completion of the transformation in 2001 with all 18 holes completed. LAUGH TIME

There's no denying it— Golf is hard.

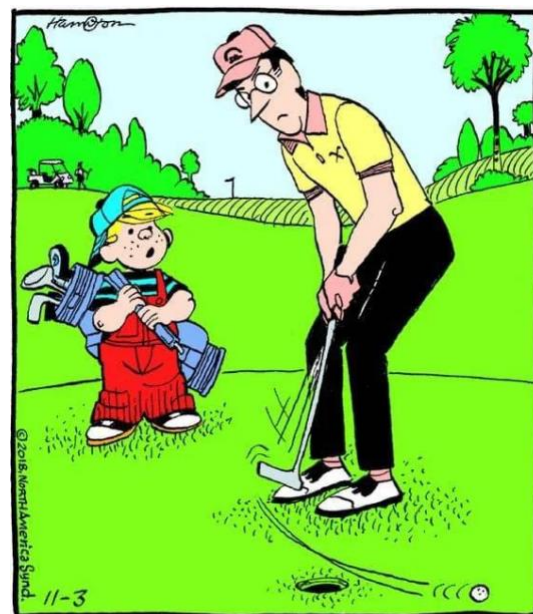

And sometimes, you need to keep things light to ease the frustration and help golfers change their mindset. There's no better place to be than the golf course, so keep it fun and enjoy your round with 10 of the funniest golf jokes we were able to find.

1. Golf balls are like eggs. They're white, sold by the dozen, and a week later you have to buy some more.
2. Why do golfers always carry a spare pair of trousers with them? In case they get a hole in one.
3. A guy on vacation finishes his round, goes into the clubhouse. The head pro says, "Did you have a good time out there?" The man replied "Fabulous, thank you."

"You're welcome," said the pro. "How did you find the greens?"

"Easy. I just walked to the end of the fairways and there they were."

4. After a particularly poor round, a golfer spotted a lake as he walked despondently up the 18th. He looked at his caddie and said, "I've played so badly all day, I think I'm going to drown myself in that lake." The caddie, quick as a flash, replied, "I'm not sure you could keep your head down that long."
5. What is the difference between a golfer and a fisherman? When a golfer lies, he doesn't have to bring anything home to prove it.
6. You spend too much time thinking about golf! Do you even remember the day we got married? Of course I do! It was the same day I sank that 45-foot putt.
7. After they went into the locker room, another golfer who had heard the old guys talking about their game, went to the pro and said, "I've been playing golf for a long time and thought I knew all the terminology of the game, but what's a rider? The pro said, "A rider is when you hit the ball far enough to actually get in the golf cart and ride to it."
8. What should you do if your round of golf is interrupted by a lightning storm? Walk around holding your 1-iron above your head, because even Mother Nature can't hit a 1-iron.
9. Where can you find 100 doctors all at the same place on any given day? A golf course!!
10. Do you know why there are 18 holes on a golf course? Because that's how long it took the Scots who invented the game to finish their bottle of whiskey!

"AFTER SPENDING ALL THAT TIME PLANNING...
HOW DO YOU STILL MISS IT?"
